Cancellations and Refunds

- No refunds will be issued; however, the registration can be transferred to another individual from the same organization as long as Spaulding for Children is notified in advance.
- Participants who miss part of the training are not eligible to make up missed portions at a later date and will not receive a refund or credit for the missed time.
- If Spaulding for Children cancels the session, all registrants will receive a full refund of the registration fee.

Attendance and Certificates

- Participants who complete the full training and pass a brief post-test will receive a Certificate of Recognition as an NTDC Trained Facilitator.
- Although this certificate is not required to facilitate NTDC, it does confirm to agencies that you have been through the official Train the Trainer session and are properly prepared to train the material. The NTDC curriculum and materials are publicly available and may be accessed and used by anyone through the NTDC website.

Technology and Session Access

- Participants are responsible for ensuring they have reliable internet access and compatible technology.
- Spaulding for Children is not responsible for participant technology issues that affect participation.
- If significant technology issues occur on the part of Spaulding for Children or its facilitators, a make-up session or equivalent accommodation will be offered.
